Friday, March 23

2nd Annual Water-Wise Landscape Symposium and Vendor Expo

Brought to you by:

**The Water Awareness Committee
of Monterey County, Inc.**

Friday, March 23, 2007
7:30 a.m. to 3:30 p.m.
Rancho Cañada Golf Club, Carmel CA

*For grounds managers, school districts, municipalities, city planners,
landscape designers, golf course managers and homeowners.*

For additional information: plord@mcwd.org ♦ (831) 646-4656 ♦ www.waterawareness.org

Turf and traditional landscapes consume large volumes of water, time, and hazardous products. In fact, landscaping utilizes 50% or more of a home's entire water use. This event will provide water conservation tools for beautiful landscapes.

Presentations An information-packed program designed to provide you with the practical tools and resources that can assist you in achieving a water-efficient landscape. Seating is limited.

Vendor Expo Talk to experts and learn about the many products and services available to satisfy your irrigation and landscape needs. Vendors are welcome. Reserve a space today.

Obtain Continuing Education Hours!*

*see your certifying organization for authorizations
